Halal certified

KOREA'S NO.1 NOODLE
SHIN RAMYUN

SHIN BLACK - PREMIUM

The PREMIUM taste!

Shin Ramyun Black is a premium version of the famous Shin Ramyun. Our renewed version is deeper and thicker! Perfect thickness of noodle that can be cooked with both microwave and boiling water! Extra bountiful flakes that are double the amount of previous Shin Ramyun Black!

Features of Product

- Perfectly al-dante noodle
- More decadent flavor from premium broth
- Abundant flakes (shiitake mushroom, tofu & etc)
- Halal certified

SHIN RED SUPER SPICY RAMYUN

For the people seeking more spice in their life, SHIN Red is the ramyun for you!
Twice as spicy as original SHIN Ramyun.

Features of Product

SHIN Ramyun Red Super Spicy is twice as spicy as original “Shin Ramen” and has a richer flavour.

The flavour and deepness of the ingredients such as original spices and vegetables are in harmony with the exciting spiciness, making it an addictive spicy taste.

This product is characterized by smooth noodles made with a special method and a firm taste using a special blend of high-grade noodle flour.

Halal Certified

SHIN RAMYUN TOOMBA

SHIN Ramyun Toomba

Inspired by a beloved social media recipe, we've crafted a dish that blends the bold, spicy taste of Shin Ramyun with a velvety creaminess. Enhanced with garlic, mushrooms, and parsley, each bite is an indulgence, bursting with Toomba* flavor.

Features of Product

- Rich and creamy
- Slight spicy
- Fragrant parsley
- Perfectly al-dente noodles
- Halal Certified

SOON VEGGIE RAMYUN

Soon Veggie Ramyun uses no meat ingredients so that vegetarians may consume without burden and the flavor is smooth and clean.

Features of Product

Clean and refreshing flavor 100% made of vegetable

- No meat ingredients.
- As the taste is made with vegetables, the flavor is cleaner and more refreshing than that of other ramyun varieties.

Tenderly delicious.

- Consumers not accustomed to spicy flavor can enjoy.

POTATO NOODLE SOUP

Potato Noodle Soup contains real potato which accounts for more than half of the noodle content ratio. This is why its noodles are so smooth and chewy. The soup is clear and pepper, instead of chili, brings out its attractive light spice.

Features of Product

The chewy noodles of Potato noodle soup comes from the potato content in the noodles.

The broth tastes spicy and light. Big chunks of various dried vegetables such as potato and mushroom add flavour and a rich texture to the product.

Halal Certified

NEOGURI RAMYUN (MILD)

Thick, Udon-style noodles in a milder, clean broth – a popular dish in Korea and Japan. The soup's popularity is due to its hot, seafood flavor. If you love fish and prefer a mild ramyun with the same delicious, seafood flavour, Neoguri is the perfect choice for you!

Features of Product

- Perfectly al-dente noodles
- Thick udon-style noodles
- Milder and clean seafood broth
- Big portion with the best satisfaction (120g/ pack)
- Halal Certified

NEOGURI RAMYUN (SPICY)

A perfect combination of spice and seafood – thick, Udon-style noodles in a deliciously rich broth packed with flavour. Anyone who enjoys thick, rich, noodles, will appreciate this product. Neoguri is a perfect combination of spicy seafood soup and plump noodles

Features of Product

- Perfectly al-dente noodles
- Thick udon-style noodles
- Milder and clean seafood broth
- Big portion with the best satisfaction (120g/ pack)
- Halal Certified

CHAPAGHETTI

The first chajang noodles enjoyed conveniently at home. National special dish!!

No.1 Chajang ramyun accounting for more than 90% of the market for chajang ramyun in Korea, Chapaggetti.

Features of Product

Chapaggetti was released in 1984 as ramyun-style chajang noodles.

The noodles are thick, smooth and chewy. Chajang soup made of chunjang and onion is delicious and offers the thick flavor of the original Chajang. Plentiful flakes of carrot, onion and meat and premium olive oil arouse the appetite.

Halal Certified

KIMCHI RAMYUN

The Taste of Korea The Taste of Kimchi

Features of Product

- Kimchi Ramyun allows consumers to experience traditional taste of Kimchi conveniently in the form of ramyun
- It is a pack of noodles that boasts the longest history among products based on the taste of Kimchi
- Halal certified

CLAYPOT RAMYUN

The popularity of NONGSHIM's Clay Pot Ramyun originates from its delicious flavour and noodles that are soft and chewy. The soup boasts a mildly spicy taste, complemented by seaweed flakes akin to a well-crafted miso soup.

Features of Product

- Rich and Tasty
- Soybean paste flavor
- Halal certified

POTATO SOUP RAMYUN

As the product name shows, this item is not only distinctive for its richness and flavour similar to the original spicy potato soup, but also for its noodles made up of 45% potato starch, giving them a chewier and bouncier texture

Features of Product

- Potato Noodle Soup
- The broth tastes spicy and light. Big chunks of various dried vegetables such as potato and mushroom add flavour and a rich texture to the product.
- Halal Certified

SEAFOOD BULGOGI

Seafood Bulgogi- It perfectly restores the taste characteristics of the product's spicy fried seafood flavour. Furthermore, after mixing evenly, the finished noodle tastes very juicy, and you cannot stop slurping it

Features of Product

- Perfectly restores the taste characteristics of the product's spicy fried seafood flavour
- Halal Certified
